Thank you for your today's verbal offer to obtain and to send, without any charge for your service, a copy of the below described pre-1908 recorded document. Your offer to provide a copy of the recorded instrument to me next Monday, without any charge for your service, is very much appreciated.

The particular recorded instrument that I need a copy of is a "pre-1980" recorded deed that documents the purchase of a particular 110.2759 acre tract of land by either:

1. Delta Iron Works, Inc., or
2. Chromalloy American Corporation (Effective 12/22/1972 Delta Iron Works, Inc. merged into Chromalloy American Corporation)

Effective 08/31/1980, Chromalloy American Corporation sold this particular 110.2759 acre tract of land to Delta Services Industries, and

1. The instrument documenting this sale was recorded with the Terrebonne Parish Clerk on 09/15/1980. This instrument is recorded Conveyance Bk 807, Pg 484-492.
2. The particular 110.2759 acre tract of land is described in "Exhibit A to Sale from Chromalloy American Corporation to Delta Services Industries." The Exhibit is part of the above described instrument.

Thank you again and am looking forward to hearing from you next Monday.
